Dear Avon 10K Participants:

We hope each of you will remember Sunday, April 27, 1980 as a special day. The weather was optimum for running, the spectators enthused and the flowers in bloom.

We realize for some of you, personal bests were achieved, and others received their first taste of running in a competitive event.

Perhaps we will see many of you at future races and maybe some will decide racing is not meant for you. More than anything, we hope Avon has influenced you to recognize running as an enjoyable sport and one that can be part of your daily life.

Thanks to each of you for your participation--every one of you are winners!

Sincerely,

Kathy McNamara
Jane Fopeano
