! Denotes new course records

Hello Everyone,

We had a great turnout and almost perfect weather, hope you all had a good time and plan to come back again.

David Welfelt took pictures out on the course, you can email him at davewtymco@earthlink.net if you are interested in seeing the pictures.

As Phil and I have said before if the race makes money then we donate to the park and other causes, this year we have donated \$500.00 dollars to Tony's Trot for the Wounded Warrior Project. Tony finished his 224 miles in 59.5 hours at 9:30 Sunday morning. Here is a link to his page if you should care to take a look or donate.

After the final expenses are in we will make a donation to Kanopolis State Park Trail Fund, I expect that will be around \$400.00.
